

log4cplus::Layout

```
classDiagram
    class log4cplus::SimpleLayout
    class log4cplus::Layout
    log4cplus::SimpleLayout --|> log4cplus::Layout
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'log4cplus::SimpleLayout'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'log4cplus::Layout'. This indicates that 'log4cplus::SimpleLayout' inherits from 'log4cplus::Layout'.
