

error\_category

```
graph BT; A[pion::http::message::receive_error_t] --> B[error_category]
```

The diagram consists of two rectangular boxes. The top box is white with a thin grey border and contains the text 'error\_category'. The bottom box is grey with a thick black border and contains the text 'pion::http::message::receive\_error\_t'. A solid blue arrow points vertically from the top center of the bottom box to the bottom center of the top box.

pion::http::message  
::receive\_error\_t
